A School Where Everyone Matters

IMPORTANT UPDATES JUNE 2018

PRESTATYN TRIP

Thank you to all of the staff who helped take some of our Year 5 and Year 6 pupils to Prestatyn last month. We appreciate the time and effort they took to ensure that the children were safe and happy. Special thanks also go to Mrs Rogers for organising this amazing break.

Photos of the holiday can be seen on our Twitter account [@lowerkersal](#)

SPORTS DAY

We are hoping to hold our sports days on the 28th and 29th of June. This will be dependent on the weather. More information about these days will be sent out to you in the next week or so.

YEAR 1 PHONICS CHECK

Children in Year 1 will complete their phonics reading 'test' week-commencing June 11th. We would like to wish them lots of luck!

'TASTES OF THE WORLD' DAY

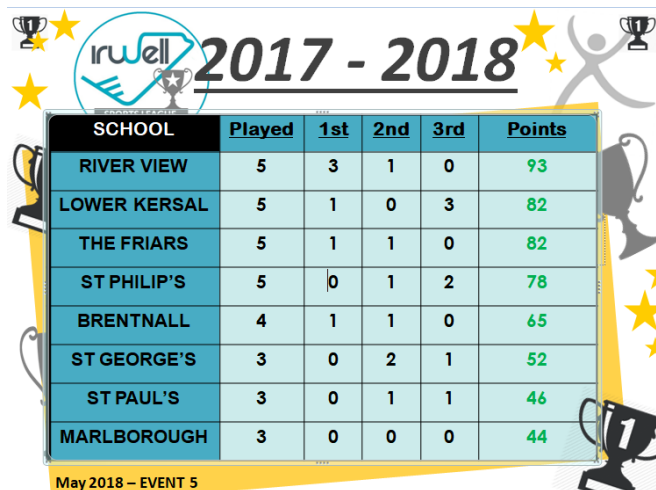

We are holding a 'Tastes of the world day' on WEDNESDAY 27th June. This was a huge success last year. On this day every class will prepare three courses of food from another country. Parents and carers will be invited in at the end of the day so that your child can share the foods they have learnt to prepare with you.

UNIFORM

Please remember that we expect children to come to school in their uniform every day. They look very smart in them and it shows that they are part of the team here at Lower Kersal. Please also remember that make-up, open toed shoes and false nails are not appropriate on school days.

EIP SPORT COMPETITION

If you have not already heard – our Y3 and Y4 Benchball team won their competition against other schools last half term. **WELL DONE.** This has moved us up to 2nd position on the league table! This is much better than our position last year.

May 2018 – EVENT 5

DINNER MONEY

Please remember that dinner money should be paid the week before your child has their dinner. From September, we will not be able to provide your child(ren) with a school meal until all arrears have been cleared. This means that you will not be able to pay on the day if you still owe money from previous days. As I am sure you will understand, school cannot afford to pay for school meals. We do not have money to pay for school meals. You will have read in the press that school budgets have reduced, the more money we have to pay towards dinner debts the less money we have to spend on making your child's education the best it can be.

BEHAVIOUR ON SCHOOL PREMISES

It is our duty to protect and safeguard your children and the staff that work in this school. We take this duty very seriously and will always put the well being of your children first. It is with this in mind that unfortunately, I have to remind people that we will not permit any form of aggressive or threatening behaviour on school property. I know that you will agree that every child has the right to feel safe whilst being dropped off and collected from school.
