

Lower Kersal Community Primary School

A School Where Everyone Matters

IMPORTANT UPDATES FEBRUARY 2020

PARENTS EVENING

THANK YOU to everyone who came to parents evening on Monday. If you have any questions or concerns about your child's education please do come and see your child's class teacher. They will be happy to make time to meet with you to discuss any concerns you may have. If you were unable to attend parents evening or would like a longer appointment please contact your child's teacher.

WORLD BOOK DAY

School will be celebrating World Book Day on **FRIDAY 6th MARCH**. On this day we encourage everyone to dress up as their favourite book characters! Classes will be completing a range of activities linked to World Book Day and there will be prizes for best dressed! **Start thinking about those costumes!**

SEVERE WEATHER ARRANGEMENTS

It is important that everyone knows our school's procedures in the event of very bad weather - including heavy snowfall.

We will always try our very best to keep school open as much as possible. We will only ever close school if we think there is a real risk to our children and staff.

Decisions whether to close the school or not are made on a day-by-day basis. It is therefore important to know how we will contact you:

1. School will always send a text message to parents and carers. This is the quickest and easiest way for us to get in touch with you all at the same time. **It is VERY IMPORTANT that we have up-to-date mobile numbers for you.**
2. Messages will be posted on our TWITTER PAGE <http://www.twitter.com/lowerkersal>
PLEASE follow us on Twitter - it will ensure you get the very latest school news.
3. School will update Salford City Council's SCHOOL CLOSURES website.
This can be found at <https://www.salford.gov.uk/schools-and-learning/school-closures/>

This page also lets you know of any other Salford schools who may also be closed due to bad weather or other emergencies.

SPRING TERM CLASS ASSEMBLY DATES

This term the following classes will be sharing their learning with you in their class assemblies.

TUESDAY 4.02.20 - Year 2 in the hall at 9:05am

TUESDAY 24.03.20 - Year 3 in the hall at 9:05am

Both pupils and staff would love you to attend and share in some of the amazing learning that has taken place in your child's class.

EIP SPORTS COMPETITION

School takes part in a range of competitive sport events across the academic year. We compete against seven other schools that are in our cluster for the EIP Sports League Trophy. We hope to climb the league table again this year, Mr Gibson is helping us to train for these events at lunchtimes and after school. **Thank you** to all those who have already represented the school and Good Luck to the pupils taking part in the events being held during the Spring Term.

SCIENCE WEEK

School will be taking part in Science week during the **week beginning 9th March**. This will involve special Science activities in classes. Check out our Twitter page to see what we've been up to!

AWARENESS DAYS

This term we are holding a special awareness day. **On Monday the 9th March we will be celebrating and learning about International Women's Day.**

CONTACT NUMBERS

It is important in cases of emergency that we are able to contact a parent/carer of every child in school. Please ensure that the school holds two correct contact numbers for your child/children.

PERSONAL ITEMS

Please remember that pupils should not bring personal items from home. Sometimes children want to bring toys and special items in from home, unfortunately we cannot allow these items in to school. They frequently distract pupils from their learning and can on occasion get damaged or lost. Please keep them safe at home.

Thank you
