

Lower Kersal Community Primary School

A School Where Everyone Matters

May 2020

Dear Parents / Carers,

We are delighted that your child has been given a place to join our wonderful school. We have a very experienced staff team who are all looking forward to meeting you and your child. Due to the current situation, we are unsure at the moment, what transition in to school will look like this year. However, we promise that we will make the transition as smooth and exciting as possible for our new children. We want to reassure you that we will keep you informed as soon we know any more information.

In the meantime, we have uploaded a few resources on to our school webpage and we ask that you prepare your child for starting school as much as possible by talking to them about it and sharing things we send to you.

On our website you will find:

- A virtual tour of our Early Years setting
- Our Early Years policy
- Our Early Years parents booklet
- A here I come sheet – this can be completed with your child and brought to school when your child starts
- Helpful leaflets about getting ready for school
- Transition tips to for parents

We look forward to hearing from you and meeting you very soon.
