1.2	AR	15.07.20	Addition of Coronavirus addendum

At Lower Kersal Community Primary School, we believe that every child has a right to an education and that every teacher has a right to teach. It is therefore imperative that we all have high expectations of children's behaviour and that we are consistent in the way we manage children's behaviour. We expect the children to respect each other, adults, property and display good manners. We will not accept foul language, verbal or physical abuse.

Whilst we have pride in the behaviour of the majority of our pupils we do have a minority whose behaviour does not always meet with our expected standard. It is therefore vital that we recognise these behaviours and develop strategies for dealing with them. Whilst occasional reprimand is required from time to time our behaviour policy focuses on praise and the fostering of good relationships.

AIMS OF THE POLICY

- To encourage a calm, purposeful and happy atmosphere within the school.
- To help our pupils develop positive attitudes towards school and their own learning.
- To foster positive caring attitudes towards everyone where achievements at all levels are acknowledged and valued.
- To encourage increasing independence and self-discipline so that each child learns to accept responsibility for his/her own behaviour.
- To have a consistent approach to behaviour throughout the school with parental co-operation and involvement.
- To make boundaries of acceptable behaviour clear to ensure safety.
- To raise awareness about appropriate behaviour.

School Expectations

That pupils:

- Show respect for school property, each other and all adults by taking responsibility
- Walk around school- inside and out and enter/leave assembly quietly
- Are encouraged to show manners, respect and politeness
- Toilets are used appropriately. Not to loiter
- First child holds doors.
- At the end of playtime, 1st whistle stop and stand still. On second whistle walk to lines.
- Not to interfere/distract other classes when walking around the school

That teachers: (inc Teaching Assistants)

- Expect high standards of uniform
- Expect a calm/purposeful/well ordered classroom atmosphere stressing classroom safety
- Be consistent in their dealings with pupils
- Supervise lining up and walk pupils in from the middle
- Lines are expected to be quiet in and out of school
- Children are moved quickly out of cloakroom areas and staff supervise this.
- To go out punctually when on duty
- All children to have a school water bottle
- Display class rules prominently and discuss them at the beginning of the year and regularly remind children about them.
- Every teacher has exactly the same expectations.

Class expectations:

- Don't talk/interrupt when the teacher or another child is talking during class discussion/carpet time
- Put up our hands before speaking and answering questions
- Get into class on time and settle quickly after play, lunch and other activities
- Keep our classrooms tidy and take care of our classroom equipment.
- Only visit the toilet with the teacher's permission
- Only leave the classroom with the teacher's permission

Positive Behaviour Management

The best results in terms of promoting positive behaviour arise from utilising positive behaviour management strategies. Listed below are a range of strategies which are proven to be effective in positive behaviour management;

- Positive Feedback- Acknowledge/Approve/Affirm: Acknowledging (notice and describe the behaviour), approve it (say why it is good) and affirm (apply a positive label to the pupil) e.g. "Thank you for tidying up so quickly- you are a great helper!"
- Positive Correction- tell the pupils what you want them to do i.e. not what you don't want them to do e.g. "Please walk" instead of "stop running." Avoid saying, "don't" or "stop".
- Positive Repetition- when you give a direction, ask someone who knows what to do to repeat it rather than focusing on the one who doesn't- praise the children who carry out the instruction.
- Non-verbal Cues- hands up, finger on the lips, the "look".
- Give take-up time- give a clear specific direction in a non-confrontational way, move away from the pupil with a clear expectation that the pupil will comply.
- Re-direction- repeat direction without being side-tracked. Use thanks and take-up time, do not stand over pupils in a confrontational way.
- Tactically ignore- ignore any secondary behaviour if the pupil is compliant with the primary behaviour request e.g. if the pupil begins the task (primary behaviour) when asked, ignore any annoying secondary behaviours such as huffing and muttering.
- Physical Proximity- move closer to a disruptive pupil
- Distraction/ Diversion- give an alternative task or activity to a disruptive pupil without highlighting the inappropriate behaviour.
- Clear Expectations- e.g. "When we go back in to the classroom after break, I will give a point to those who go straight back to their task."
- Where/ What- "Where should you be?" (In my seat) What should you be doing? (My work).
- Choices- "Put your (e.g. toy) on my desk or in your bag- which are you going to do?"
- Broken Record- Calmly repeat the request or rule or consequence; avoid being drawn into an argument, stay neutral.
- Private Reprimand- a quiet word rather than a public confrontation.
- Repair & Rebuild- as soon as possible after a reprimand, find an opportunity to say something positive about the pupil, "Catch them being good"

REWARDS

We believe that staff should recognise, encourage and reward good behaviour.

Whole school:

- WOWCHERS
- Weekly Class Teacher Certificates given out on Friday Assembly
- Termly Prize Assemblies
- HT special stickers
- Class Monster points to earn rewards/treats
- Opportunities taken to share good work/behaviour with parents

SANCTIONS

Although the emphasis of this policy is on encouraging and rewarding positive behaviours and attitudes, we recognise that it may be necessary to employ a number of sanctions to enforce our school expectations. As with matters relating to reward, consistency and fairness are vital in the application of sanctions, which should be appropriate to each inappropriate behaviour.

When dealing with all forms of inappropriate behaviour, staff should employ the following strategies;

- Be calm- all children must be dealt with in a calm yet firm manner, referring to which behaviour is not acceptable and the action being taken.
- Make clear that it is the behaviour which is being punished and this is not a personal matter.
- Logical consequences- a logical consequence is a sanction that is proportional to and fits the misdemeanour. The first step is to stop the behaviour and the second step is to provide an action that recalls the rules, reinstates the limits and teaches alternative behaviours.

Sanctions are used initially by the class teacher. If it is felt necessary, the child is sent to a member of the Senior Management Team.

Early Years – R Burton
Key Stage 1 R Burton
Lower Key Stage 2 – D Rutter
Upper Key Stage 2 – D Rutter

Deputy Head – A Reynolds

Children are sent to these members of staff if they have already been given a warning, their behaviour continues to be unacceptable or they are displaying more serious behaviour problems.

The Head teacher is generally a last resort. This is the final sanction and should be viewed very seriously. If a child is sent to the Head teacher the reason will be recorded on the child's file. Additional strategies to support behaviour will then be put into place. If the child's behaviour does not improve a letter will be sent to parents inviting them to school to discuss behaviour. Parents' support and co-operation is always sought in these matters.

An extreme sanction is a fixed term or permanent exclusion. However, these are seen as options only in extreme cases of misbehaviour.

Lunchtime

Initially this will be managed by lunchtime/welfare staff. If the incident is more serious it will be recorded and result in the child being removed from lunchtime activities or removed from school at lunchtime. If bullying is suspected it is investigated thoroughly by the member of SLT on duty e.g. discussed with individual, talk to other children, staff, welfare staff and parents.

Coronavirus addendum

1. Scope

This addendum applies until further notice.

The school's behavior policy has been revised to include supportive inclusive guidance, trauma informed compliance with social distancing communicated to staff, pupils and parents and reinforced regularly. It sets out changes and exceptions to our normal behaviour policy. Pupils, parents and staff should continue to follow our normal behaviour policy with respect to anything not covered in this addendum.

We may need to amend or add to this addendum as circumstances or official guidance changes. We will communicate any changes to staff, parents and pupils.

2. Expectations for pupils in school

2.1 New rules

When pupils are in school, we expect them to follow all of the rules set out below to keep themselves and the rest of the school community safe.

Staff will be familiar with these rules and make sure they are followed consistently.

Parents should also read the rules and ensure that their children follow the new procedures that have been put in place. Parents should contact Miss Steward (Head Teacher) if they think their child might not be able to comply with some or all of the rules, so we can consider alternative arrangements with them and support them to integrate back into school life.

School expectations

Pupils will:

- Show respect for school property, each other and all adults by taking responsibility
- Walk around school quietly, following the one way system
- Show manners, respect and politeness
- Not hold open doors for adults or children
- Not share resources, food or any item with other children or adults outside of their class bubble.

Health & Hygiene

- Pupils and adults, wash their hands upon arrival at school, after being outside, before and after handling food or after coughing or sneezing.
- Children cough or sneeze into a tissue and dispose of this in a bin. "Catch it, bin it, kill it."
- Pupils are encouraged to not touch their face, mouth, eyes or nose.
- If a pupil feels unwell they will tell an adult

Arriving at and leaving school

- Pupils will follow all arrangements for arriving and leaving at school, as set out in the parent communication document (below)

Parent letter plans for September.pdf

Break and lunch time

- Pupils will eat their lunch in their classroom
- Pupils must stay within their designated zone in the playground and not mix with other classes.
- During wet play pupils will remain within their classroom

Classroom expectations

Normal classroom expectations will continue to be followed as set out in our behaviour policy. However there are a number of additional expectations that need to be strictly adhered to.

- In YR-Y 6 cloakrooms are not to be used. Coats and bags are kept in the classroom
- Desks will be set out in forward-facing rows
- Children in years 1-6 will have their own classroom stationery, these will not be shared
- Older children in years 2-6 are encouraged to socially distance with members of staff where possible
- At least 1 window will be kept open for ventilation
- Children in years 2-6 must use the same desk every day and are not permitted to move seat.
- Children in years 2-6 are to remain seated at all times and must ask permission before standing.
- Adults should remain standing as much as possible whilst in the classroom and must not sit down next to or near a child for any length of time above 15 minutes.
- Water bottles are **not** to be used. If children require a drink a named disposable plastic cup is to be used and disposed of regularly.

Using the toilet

- Visits to the toilets are timetabled and supervised to avoid mixing of bubbles
- Pupils in years 1-6 will enter toilet one at a time and may be required to queue using the line guidance outside to remain a safe distance
- Pupils will not be permitted to enter the toilet in groups

2.2 Rewards and sanctions for following rules

We will continue to promote positive behaviour by using positive behaviour management strategies. These are outlined in the school's current behaviour policy.

Rewards

Children will understandably be anxious about returning to school after a sustained period at home and now more than ever it is essential that staff recognise, encourage and reward good behaviour

To help encourage pupils to follow the above rules, we will use the following rewards:

- WOWCHERS
- Weekly Class Teacher Certificates given out in class on a Friday
- Class Monster points to earn rewards/treats

Sanctions

We understand that the change of rules will be difficult for all children to follow and staff will regularly remind children of the expectations to avoid children accidentally breaking the rules.

However if children are purposefully breaking school rules then staff will continue to apply sanctions outlined in the schools behaviour policy. However to avoid mixing of bubbles and to ensure the community is kept safe, there are some changes that are outlined below.

- Children will no longer be sent to other classrooms for breaking school rules

- Behaviour incidents will be dealt with by class bubble staff wherever possible.
- If a child needs time away from the class they will be asked to work in the Calm Corner or at a desk outside of the classroom.
- If a child is presenting with extreme behaviour that is dangerous to themselves or others and all other strategies have been exhausted then a member of SLT should be informed as a last resort.
- Where a pupil repeatedly breaks school rules, a meeting will be arranged between parent and Head Teacher and if behaviour does not improve, this could result in exclusion from school.

2.3 Changed rules

Until further notice, we will alter the following school rules:

- From September attendance at school will be mandatory and we will be reverting back to our normal expectations for attendance. Please see attendance policy for more details.
- From September 2020, all pupils must wear uniform to school and follow normal school rules on uniform as set out in our uniform and jewellery policy.

3. Monitoring arrangements

We will review this policy as guidance from the local authority or Department for Education is updated, and as a minimum every half term by a member of SLT.

4. Links with other policies

This policy links to the following policies and procedures:
