STRATEGY STATEMENT
<ul style="list-style-type: none"><li>• To provide intervention programmes for underachieving pupils.</li><li>• To provide early intervention for children in danger of falling behind.</li><li>• To employ additional support staff to help provide a targeted level of support to some of our most vulnerable children so they can make the progress expected of them, particularly in Reading, Writing and Maths.</li><li>• Staffing to facilitate initiatives to improve the rates of attendance and reduce persistent absenteeism.</li><li>• To provide one-to-one tuition and/or speech and language therapy for some pupils.</li><li>• Ensuring that the qualifying children - as all others - have their needs clearly identified and their progress closely monitored through the school</li><li>• To subsidise educational visits and provide them with a wider range of opportunity and experiences. For some children this has a huge impact on their self-esteem and confidence.</li><li>• To ensure that all children are able to start the school year with a new school jumper and reading book bag.</li><li>• To provide bespoke support for some pupils in times of crisis or need including additional support required through the Covid-19 crisis (eg payment for 1:1 counseling)</li><li>• Employment of second Educational Psychologist to work specifically for the children in receipt of the PPG.</li><li>• CPD for support staff to improve the quality of support given to pupils – to improve the quality of teaching in all three key stages.</li></ul>

## Planned expenditure for current academic year 2020 - 2021

ACADEMIC YEAR 2019-20				
Project/Initiative/Barrier to remove				
Action	What's the evidence and rationale for this choice?	Intended Outcome	Funding Amount	Review
<p><b>Continuation</b>  <b>A:</b> Provide Speech &amp; Language teacher 1 days per week to work in EYFS</p>	Speaking & Listening skills are low for the majority of children.	Number of referrals to SaLT reduces from Yr 1 onwards. Pupils in EYFS are able to speak more clearly, positively impacting on their reading and writing work. Results in Reading, Speaking and Writing are at least in line with national figures and pupils converse freely and confidently with their peers and other adults.	£5,220	July 2021

<p><b>Continuation</b>  <b>B:</b> Four support staff employed to work in EY, KS1 and KS2 to help improve standards and enhance provision.</p> <p>One apprentice TA2 employed to work in Y6 to help improve standards.</p> <p>One member of support staff (All) employed to work in KS1 to help improve standards and enhance provision.</p>	<p>Starting points for pupils are low and small group interventions led by specially trained support staff demonstrate acceleration in progress.</p>	<p>Data shows that attainment across all key stages is consistent, ensuring that all pupils make expected progress in R, W and Ma in all year groups.</p> <p>These support staff will work with all pupils in their class and will lead interventions for identified pupils. These small group numbers will primarily be made up of pupils in receipt of the PPG and in danger of falling behind as identified in headline meetings.</p>	<p>£78,910</p>	<p>July 2021</p>
<p><b>Continuation</b>  <b>D:</b> Subscription to KS2 PiXL Programme</p>	<p>Small group tuition provides some pupils with the opportunity to consolidate and secure their understanding due to gaps in understanding cause by absence.</p>	<p>Standards attained at the end of KS2 demonstrate that pupils in receipt of small group tuition have at least attained their personal targets.</p>	<p>£2,700</p>	<p>July 2021</p>

<p><b>Continuation</b>  <b>F/D/E:</b> School to support families financially to allow their children to attend a range of trips, visits and special events including a residential trip in KS2.</p>	<p>Some children have low aspirations due to a lack of experience and knowledge for the wider world. Attendance levels are often low due to a lack of aspiration from the parent. We need children to want to come to school in order for them to convince parents to bring them each day.</p>	<p>Children show self-motivation to learn and do well</p> <p>Families are not charged for any trips, visits or special events. EVERY child in school benefits from this approach. School does not rely on donations from parents to run these, hence they are not cancelled and are guaranteed to take place helping enhance the curriculum and broaden children's life experiences. Children who may not have had a chance to go on the trips previously due to financial difficulties can attend without prejudice.</p>	<p>£8,000</p>	<p>July 2021</p>
<p><b>Continuation</b>  <b>C:</b> Study Support, SEMH support, 1 to 1 tuition sessions and booster groups to take place in KS1 and KS2. Support staff and agency staff used to ensure a programme of after-school support takes place across the whole of the academic year.</p>	<p>Many pupils begin to fall behind due to low starting points or poor absence levels. We need them to catch up with, keep up with and push past their peers. Some pupils require support with their social, emotional and mental health due to effects of school closure during Covid-19 epidemic.</p>	<p>All resources are used effectively to ensure that identified children make at least expected progress in R, W and Maths, with a high percentage of them (over 50%) making better than expected progress as a result of the interventions put in place for them.</p> <p>All children part of a plan of SEMH support plan make significant progress.</p>	<p>£18,000</p>	<p>July 2021</p>

<p><b>Continuation</b>  <b>E:</b> Purchase of home study and revision support pack for Year 6. Run parent workshops in school for parents to learn how to support home study effectively.</p>	<p>Some pupils are unable to work at home due to lack of resources. Parents, who want to support their children, often do not have the means to purchase the materials required.</p>	<p>Parents work with their children at home, helping them secure greater progress and understanding.  Parents feel supported in their own ability to work with their children at home.</p>	<p>£1,000</p>	<p>July 2021</p>

Attendance levels are often low due to a lack of aspiration from the parent. We need children to want to attend to school in order for them to convince parents to bring them each day.</p>	<p>Children show self-motivation to learn and do well; this is rewarded by their attendance at a special event or activity. These activities have been chosen as things children would not normally have access to.</p> <p>Children will benefit from a broad curriculum which develops and discovers their interests and talents</p>	<p>£15,000</p>	<p>July 2021</p>
