

Lower Kersal Community Primary School

A School Where Everyone Matters

8.03.21

Update 1 2021

Dear Parents and Carers,

Welcome back! We are thrilled to be fully open again and have procedures in place to keep pupils, staff, parents and visitors as safe as possible.

Key updates:

- I wrote to you before school's opening to remind you to **keep your child off school and arrange a test if they or someone in the household had one of the main symptoms of Coronavirus** (a continuous cough, a fever or loss of taste/smell)
- I also encouraged and advised you that you were **able to get a test for your child if they were displaying non typical symptoms**. This will help rule out coronavirus and prevent A-symptomatic people spreading the virus unknowingly.
- We are welcoming pupils back this week with **Art week**. Keep an eye out on twitter [@lowerkersal](https://twitter.com/lowerkersal) for some of their work.
- Unfortunately we **will still need to close bubbles if there is a confirmed case of coronavirus in school**. We will notify you of this via text and letter if your child is affected. With this in mind, we have continued our device loan agreements for a little longer – this will ensure that your child is able to access remote learning if their bubble was to close.
- Individual **school photos will be taken on Monday 15th March**. This will be done during the school day. **We will ONLY be taking photos of individuals**, there will be no sibling and or family photos this year due to restrictions of bubbles mixing and other safety measures in place.
